Located on the southeast side of the San Francisco Bay, Fremont is a city of over 208,000 people with an area of 92 square miles, making it the fourth most populous city in the Bay Area and California's fifth largest city in area. With its moderate climate and its proximity to major universities, shopping areas, recreational and cultural activities, employment centers, major airports, and the Bay Area Rapid Transit system, Fremont captures metropolitan living at its best.

The Fremont area was first settled with the establishment of Mission San Jose by the Spanish. In the mid-1840's, John C. Fremont mapped a trail through Mission Pass to provide access for American settlers into the southeastern San Francisco Bay Area. In 1853, Washington Township was established, taking in the communities of Mission San Jose, Centerville, Niles, Irvington, and Warm Springs. On January 23, 1956, these communities joined together to form the City of Fremont.

Child Care Facilities

Child Care

Looking for child care? There are many child care centers and family day care facilities in the City of Fremont. For child care information and referral in Fremont, contact the Community Child Care Coordinating Council of Alameda County (4 C's) at 510-582-2182.

Tiny Tots--City of Fremont Recreation Services

Tiny Tots is an enrichment preschool program operated by the City of Fremont Recreation Services Division. The program serves children one and one half to five years of age.

Youth Sports

Fremont offers a variety of fun sport programs, that not only improve your athletic skills, but also build on sportsmanship and the importance of teamwork. Come join our friendly staff in any one of our Youth Sports programs.

When Do I Need to License My Pet?

City Ordinance requires cats and dogs to be licensed. Pet owners need to get a license within 30 days of:

- Acquiring a cat or dog that is over four months old
- A cat or dog turning four months old
- Moving to Fremont with a cat or dog
- The expiration of a pet license

There is a \$10 penalty charged if cats and dogs are not licensed within these timeframes.

How do I get a pet license?

Owners can get a pet license at the Tri-City Animal Shelter at 1950 Stevenson Boulevard on Monday through Friday from 9:00am - 12:00pm, and 1:30pm - 4:00pm. The Shelter is closed on Saturday and Sunday. You will need to bring a current rabies certificate, but you do **not** need to bring your pet.

Costs

Altered pets

\$10 - (1 year)

\$14 - (2 years)

\$17 - (3 years)

Unaltered pets

\$20 - (1 year)

\$28 - (2 years)

\$34 - (3 years)

Senior Citizens can receive a \$10 discount when a 3 year license is purchased.

For more pet license information, please call the Tri-City Animal Shelter at 510-790-6640.

What is STAR?

Each spring, California students in grades 2 through 11 take a series of tests through the **Standardized Testing and Reporting** program, more commonly known as STAR. First administered in 1998, the STAR program requires all public schools in California to test students between mid-March and mid-June of every year.

The component of the testing program included in this report consists of results for the **California Standards Tests (CST)**. The CST consists of standards-based tests designed to show how well California students are mastering the grade-level content standards established by the state Board of Education. In grades 2 through 11, the California Standards Tests (CST) covers English-language arts and mathematics. In grades 4 and 7, the test includes a writing section. In grades 8, 10 and 11, the test adds history-social science. In grade 5, students take a science test. In grades 9 through 11 students take the California Standards Test for the math and science course (such as algebra, geometry, physics or chemistry) that they are currently enrolled in. Ninth graders who are not yet taking algebra take the General Mathematics Standards Test. Students in grades 9 and 10 who had completed Algebra II or Integrated Mathematics during a previous school year, and grade 11 students who completed one of these two courses anytime prior to the beginning of testing, are required to take the Summative High School Mathematics CST.

The performance levels for each grade and subject area are based on scaled scores that range between 150 and 600. The score dividing the basic scores from below basic is 300 for every grade and subject area. The score dividing basic scores from proficient scores is 350 for every grade and subject area. Tables that include the score range for each grade level, subject area, and performance level is available at the website listed below.

In 2005 STAR testing also included the **California Achievement Test, Sixth Edition (CAT/6)** for grades 3 and 7 only. This test compares California students with their peers nationwide. The remaining two components of STAR testing include the California Alternative Performance Assessment (CAPA) and the Spanish Assessment of Basic Education, edition 2 (SABE/2). Information and test results for these three tests are available at

<http://star.cde.ca.gov>

Report information was obtained from the California Department of Education website at:

<http://star.cde.ca.gov>.

What is Senior Support Services?

We are a special team of caring professionals in the City of Fremont Human Services Department. Our job is to help seniors get services to improve their safety, well-being, and health, so that they can stay independent in their homes.

We have diverse backgrounds in social work, nursing, psychology and gerontology. We know how to help seniors. We have worked for years with other senior-serving agencies, and can help you connect with various services you want.

Services We Can Help You Obtain Include

- Someone to help you in an emergency
- Someone to help you with household chores or errands
- Hot meals delivered to your home
- Someone to talk with on a regular basis
- Medical care
- Transportation to doctors' appointments
- Help with money or making ends meet
- Recreational or social activities
- Help with legal problems
- And others ...

Who is Eligible for Our Assistance?

We will help any senior over 60 years old who lives in the cities of Fremont, Newark or Union City.

What is the Cost of Our Assistance?

Donations are appreciated to support this program, but *no one will be denied our help* due to inability to donate. Senior Support Services is funded by the cities of Fremont, Newark and Union City; Older Americans Act funds provided by the Alameda County Area Agency on Aging; and through community contributions.

For more information about Senior Options, either for yourself, a friend or family member, please call

Office: 510-574-2041

Fax: 510-574-2054

TTY: 510-574-2039

One Coast Guard approved life jacket required for each person on board.

\$7 launch fee required. \$50 annual launch card.

No motor boats may be started in the lake.

Rapid Transit

The extension will begin at the new Warm Spring station (in Fremont), which will be under construction by 2004. Once built, the extension will be the connecting link between Santa Clara County and the current BART system. For more information on BART station locations and schedules, please consult BART's web site at <http://www.bart.gov/>.

The Bay Area Rapid Transit (BART) provides dependable rapid transit access to much of the Bay Area. BART currently has its southernmost station in central Fremont and is working with the Santa Clara Valley Transportation Authority (VTA) to expand the BART system into the cities of Milpitas, San Jose, and Santa Clara.

Rail

The Centerville Train Station, in Fremont, services the Altamont Commuter Express (ACE) and the Amtrak "Capitol Corridor" train lines. The Amtrak "Capitol Corridor" train line links Fremont to both Sacramento to the north and San Jose to the south. The Altamont Commuter Express (ACE) train line travels from San Joaquin County to Santa Clara. Freight needs are served by Union Pacific rail lines

Bus

The Santa Clara Valley Transportation Authority (VTA) also connects the Fremont BART station with Santa Clara County. For more information about AC Transit's lines and schedules, visit their web site at <http://www.actransit.org/> or call (510) 891-4727. For more information on VTA lines and schedules, visit their web site at <http://www.vta.org/> or call (408)321-2300

Alameda County Transit (AC Transit) provides local bus service for western Alameda and Contra Costa counties, from Richmond in the north to Fremont in the south. The Eastbay Paratransit Consortium and individual cities provide paratransit service for this same area. The Dumbarton Consortium provides the DB Express service across the Dumbarton Bridge to Santa Clara and San Mateo counties on weekdays.
